EMBROIDERY ONLY

The Perfect Embroidery Machine To Embellish Your Clothing

Large Working Area & Embroidery Space

A generous 260 x 160 mm working area gives you plenty of room to get creative with your creations and explore all kinds of designs.

Precise LED Pointer for Perfect Needle Positioning

Let the LED needle pointer point the way to better embroidery. Drop your needle exactly where it needs to be, ensuring you always place your pattern in the right place.

Navigation Made Easy with Large Full Colour Display

Easily manage and edit your designs on the large, full colour 4.9" LCD touch screen display, which includes intuitive controls right at your fingertips.

Brand New Embroidery Designs!

Including regal, fun llamas, jungle animals, flower power, pretty lavender and blackwork patterns.

Automatic Thread Trimming

Stay neat and productive, let the auto trimming function trim any excess threads for you. Bye, bye snips!

Auto Foot Down

Programme your machine to automatically put the foot down and start embroidering when you press the start/stop button.

Advanced Editing Functions

Quickly adjust, mirror, re-size and edit text. Save everything to the machine's memory so you can use it again.

Always At Your Side

At Brother we're always 'at your side' and will be with you every step of your sewing, quilting and embroidery journey. To get your creativity flowing we've produced some 'how-to' videos to help and inspire you, find them on the Brother Support App – download now!

CONNECTIVITY

Quick & Easy Data Transfer

Send designs wirelessly from your PC to your machine when connected to a wireless network, using Design Database Transfer* (No USB is needed).

With Wireless LAN connectivity you can transfer data wirelessly as well as keep up with Brother's software developments.

*Compatible with Windows OS devices only.

Start Your Embroidery Journey

General Features

LCD Display	4.9" colour touch screen
Compact Face Plate	The angle of the face plate has been improved so it is easier to reach the needle when it needs changing.
Automatic Needle Threader	Follow the guide, thread the needle and press the lever. Voila!
Drop-in Bobbin	Just drop in a full bobbin and you're ready to go.
Central Control Panel	All important functions within easy reach.
Thread Sensors	Upper and lower thread sensors alert you to broken threads and automatically stops your stitching.
Automatic Thread Tension	Automatically detects fabric being embroidered/sewn and adjusts the tension to suit.
Start/Stop Button	Ergonomic large start/stop button for use without the foot pedal.
Speed	850 stitches per minute – achieve more with a quicker stitch out.
USB Connectivity	Transfer even more embroidery patterns to your machine.
WLAN Data Transfer Enabled	Transfer embroidery designs via WLAN with Design Database Transfer program*. Make updates to your machine wirelessly so your machine will continue to grow with you, and with future Brother developments.
Built-in Tutorials	A sewing tutor always at your side. Easily learn how to operate your machine.

Embroidery Features

Embroidery Area	260 x 160 mm embroidery area - space to stitch out large, intricate designs.
Built-in Designs	258 built-in embroidery patterns - including BRAND NEW regal, fun llamas, jungle, animals, flower power, pretty lavender and blackwork patterns.
Built-in Fonts	13 fonts (nine alphabet, one Cyrillic, three Japanese) – make anything you want to say beautiful.
Text Edit Functions	Simplified user interface for text input and editing, with various editing capabilities such as curving, arraying and space adjustment.
140 Built-in Frame Patterns	Add frames to monograms and other embroidery patterns.
Thread Trimming	Programmable jump stitch cutting – trims any excess threads for you.
Monogram Built-in Designs	Personalise projects, homewares, gifts, clothing and much more.
LED Pointer	For easy positioning of embroidery patterns.
Auto Foot Down	Programme your machine to automatically place the foot down when you press the start/stop button.
Advanced Editing Functions	Editing features include layout, combine patterns, pattern rotation, size, mirror imaging and more.
Colour Sorting	Groups the same colours together so avoids you having to rethread as much.
Colour Change	Change the colours of your embroidery easily via the colour touchscreen.
Frame Detection	Automatic embroidery frame size detection.
